

## Sarens Makzume at the VI. International Nuclear Power Plants Summit (NPPS)

Together two groups, Sarens and LAM - Lyonel A. Makzume Group of Companies, have ventured into Sarens Makzume and joined the IV. Nuclear Power Plant Summit (NPPS) supported by the Ministry of Energy and Natural Resources and the Ankara Chamber of Industry.

Stijn Sarens, Global Key Account Manager, Gert Hendrickx, Sales Director Projects and Sefik Cimen Regional Manager represented Sarens Makzume during the whole fair.

Sarens Makzume supported the NPPS as silver sponsor. The latest developments in the Turkish nuclear and energy sector were presented during the summit. Sarens Makzume aims to strengthen its services beside nuclear power projects not only in Turkey but also in neighbouring countries such as Romania, Georgia, Azerbaijan, Turkmenistan, Uzbekistan, Syria, Lebanon, Libya and Ukraine.
